SARBOJANIN DURGAPUJA SWITZERLAND

10th Year of successful socio-cultural celebration

27.10.2013

Dear Friends,

Shubho Bijoya. We thank you all for your participation, support and contribution in/ to the Durga Puja celebrations and making it a grand success. This year we had a record turnover of visitors. The event could only succeed with the whole hearted & enthusiastic participation of the community at large.

The highlights of this year`s Durga Puja Celebrations were

The new and spacious venue which apart from the picturesque settings was much needed to welcome the increasing flow of visitors.

The celebrations premiered on Indian Television courtesy ABP Ananda, we are most thankful to them for the coverage (the link to the videos are in the homepage of our website, as also the photos from the event are available in the gallery) and for conferring us “Probaser Sera Pujo” (Best Overseas Puja) Award. A reportage with photograph also appeared on Ananda Bazar Patrika (leading Kolkata Newspaper).

Sit and draw competition was a big hit with our young friends and we are most pleased to see the enthusiasm of the participants.

The food stall was an absolute crowd puller with it is authentic mix & spread of Bengali & other Indian delicacies and we are happy to receive positive feedback from so many of you.

Other highlights were the performance of the puja itself in the characteristic style of Joydeb babu, the talent on show at the cultural programs, the rhythmic dancing to the beats of the Dhak, the very convenient tie up for the lodging (hotel Ibis), innovative photo booth, ample meals (despite difficulty in forecasting), colourful Puja Patrika, etc.

We, the organizing committee had great fun planning and organizing the event and hope could bring to

you a wholesome package befitting the 10th year of celebrations, that all of you enjoyed. We thank you for the trust and confidence you reposed in us and hope we could deliver as per your expectations. We also take the opportunity to seek apologies for any shortcomings on our side despite our best efforts. We would greatly appreciate to receive your feedback, which would go a long way in improving the organization of the event in future. Please send your feedback to mail@swisspuja.com

Best Regards,
