

Dear Swisspuja Members,

Snow has started melting, days are getting sunnier and seasons are transitioning. Get ready for another year of festivities and fun in summer and autumn.

*A Hearty Welcome to Swisspuja 2014 – Durga Puja and Picnic!*

Mark the dates in your calendar and start planning for Durga Puja holidays. With your involvement, ideas and feedback, we look forward to organizing our 11<sup>th</sup> Durga Puja in Langnau am Albis. Come and celebrate Durga Puja just like your own *Barir Pujo* with more active participation than anywhere else.

This summer, we have booked the venue for Picnic and are planning for another fun filled day with interesting games, good food and cherishable moments. Come with your family and friends and be part of the extended Swisspuja family. Watch out for our mailers and updates on dates and venue. Tentative dates are as following:

When	30 <sup>th</sup> Sept. till 4 <sup>th</sup> Oct. 2014
